Clowning

With our selection of professional clowns, you will have a choice of personalities and skills.

Balloon Twisting

All of our entertainers have a large selection of balloon designs for your child and party guests to choose from.

Face Painting

Your birthday child and friends will have an endless number of professional face paint designs to select. Choices of designs can be simplified to a theme, i.e. Princess, Heros, Cat face paint designs.

Walkarounds

Clowns can simply walkaround during the party allowing the children to come to them when they feel comfortable to talk and watch as the clown does pocket tricks and wholesome, fun sight gags that are sure to get giggles and belly laughs.

Comedy Magic Shows

We have several birthday packages that include a Comedy Magic Show that is custom designed to match the age range of your party audience. Shows can include music activity, Illusions (of course), sight gags, games on stage, puppetry ("Twinkles" the Amazing Rabbit) and audience participation is a must.

All shows involve interaction with the birthday guests and ends with an extra special "Kodak" Moment with the birthday child during the final illusion.
